This contract is subject to the terms, conditions and exceptions, including the law & jurisdiction clause and limitation of liability & declared value clauses, of the current Maersk Bill of Lading (available from the Carrier, its agents and at terms.maersk.com/carriage), which are applicable with logical amendments (mutatis mutandis). To the extent necessary to enable the Consignee to sue and to be sued under this contract, the Shipper on entering into this contract does so on his own behalf and as agent for and on behalf of the Consignee and warrants that he has the authority to do so. The shipper shall be entitled to change the Consignee at any time before delivery of the goods provided he gives the Carrier reasonable notice in writing.
Delivery will be made to the Consignee or his authorised agent on production of reasonable proof of identity (and, in the case of an agent, reasonable proof of authority) without production of this waybill. The Carrier shall be under no liability whatsoever for misdelivery unless caused by the Carrier's negligence.

(ii) Anything done in accordance with 13.1 or any delay arising therefrom shall be deemed to be within the contractual carriage/Services and Merchant agrees and warrants that such liberties shall not be a deviation of whatsoever nature or degree and Carrier shall be entitled to full Charges and Freight incurred therefrom and to all Defences.

14) MERCHANT INDEMNITY
Without limiting Merchant's other indemnity obligations herein, Merchant agrees to fully indemnify and hold harmless Carrier against all claims or liabilities or damages or costs or expenses or duties, taxes or fines or penalties or imposts and any demands or charges or fees (including but not limited to attorneys' fees) or expenses, of whatsoever kind, nature or amount and whether direct or indirect, arising or in connection with but limited to: (i) any Merchant's breach of any applicable law or obligation or contract or undertaking or warranty or guarantee or representation or any provision of this Bill including but not limited to any resultant loss or damage or delay to any property whatsoever or the environment, or death or injury, or (ii) any cause whatsoever for which Carrier is not responsible or liable, or (iii) any liability whatsoever which exceeds Carrier's liability under this Bill, or (iv) related to Services for Livestock, or (v) any act or error or omission whatsoever of Merchant.

15) DECK CARGO AND LIVESTOCK
15.1 Goods, containerised or not, may be carried on or under deck without notice to Merchant and Carrier will not be required to note on the Bill any statement of on-deck carriage. Merchant agrees and warrants that notwithstanding any liberties of clause 12 exercised by the Carrier, Carrier shall not be liable for any loss or damage of whatsoever kind, nature or amount and whether direct or indirect, arising or in connection with but limited to: (i) any Merchant's breach of any applicable law or obligation or contract or undertaking or warranty or guarantee or representation or any provision of this Bill including but not limited to any resultant loss or damage or delay to any property whatsoever or the environment, or death or injury, or (ii) any cause whatsoever for which Carrier is not responsible or liable, or (iii) any liability whatsoever which exceeds Carrier's liability under this Bill, or (iv) related to Services for Livestock, or (v) any act or error or omission whatsoever of Merchant.

16) NOTIFICATION AND DELIVERY CLAUSE
16.1 Any mention in this Bill of parties to be notified of arrival of Goods is solely for information purposes. Carrier has no liability whatsoever for any failure to provide such notification and such failure shall not relieve Merchant of any obligations hereunder.
16.2 Merchant shall ensure that they take immediate delivery of Goods (i) as notified to the Merchant by the Carrier or (ii) in the absence of such notice on Vessel's discharge or at delivery point shown on reverse hereof.
16.3 If Merchant fails to take delivery of Goods in accordance with clause 16.2 Carrier may without notice remove the Goods from the Container and store the Goods ashore, afloat, in the open or under cover, at the sole risk and expense of Merchant. Such storage constitutes due delivery hereunder and thereupon all liability and responsibility whatsoever of Carrier ceases.
16.4 Merchant's attention is drawn to the expiry of free storage time and Merchant's liability for demurrage costs contained in Carrier's tariff and herein.
16.5 Once the time has expired, the Goods may be stored at the sole risk and expense (including but not limited to demurrage and storage) of Merchant. However, if Carrier believes that the Goods are likely to deteriorate, decay, lose value or incur Charges in excess of their value, Carrier may without notice to Merchant and without prejudice to any other rights or remedies, publicly or privately sell or dispose of the Goods and apply the proceeds to the Freight and any Charges.

17) BOTH-TO-BLAME COLLISION

Merchant agrees to pay any GA and warrants that they shall provide any GA security as required by Carrier and shall jointly and severally contribute with the Service Provider in GA to the payment of any sacrifices, losses or expenses of a GA nature that may be made or incurred and shall pay salvage and any other charges incurred in respect of the Goods.
18.1 If a salvage ship is owned or operated by Carrier or Service Provider, salvage shall be paid as if the said salving ship or ships belonged to strangers. Such deposit as Carrier or Service Provider may deem sufficient to cover the estimated contribution of the Goods and any salvage and special charges thereon shall be paid by Merchant to Carrier before delivery.
18.3 Merchant and the Goods must contribute to the payment of any sacrifices, losses or expenses of a GA nature that may be made or incurred and shall pay salvage and special charges incurred in respect of the Goods in the event of accident, danger, damage or disaster before or after the commencement of the voyage resulting from any cause whatsoever, whether due to negligence or not for which, or for the consequence of which, the Carrier is not responsible by statute, contract or otherwise.

19.1 Freight & Charges are irrevocably earned, and fully payable by Merchant and non-returnable in any event irrespective whether prepaid, collect or otherwise or whether Goods lost, damaged or delayed.
19.2 Freight & Charges are calculated from particulars furnished by Merchant. Carrier is entitled to production of the commercial invoice and packing list for the Goods or true copies thereof and to inspect, reweigh, remeasure and revalue the Goods. If the particulars are incorrect, Merchant shall pay Carrier the correct Freight & Charges (credit given for the Freight & Charges charged) and any costs incurred in establishing the correct particulars.
19.3 Irrespective of what is used to calculate any Freight or Charges, any Freight or Charges are to be considered for Carrier's liability purposes as "lump sum".
19.4 All Freight & Charges must be paid without any set off, counterclaim, or deduction.
19.5 When requested by any Person by Merchant in respect of any applicable Freight due to Carrier, such Person shall be considered the exclusive agent of Merchant for all purposes and any payment to such Person shall not be considered payment to Carrier. Failure of such Person to promptly pay any part of the Freight or Charges to Carrier shall be considered a default by Merchant in the payment of the Freight or Charges.
19.6 Should the Merchant fail to make timely payment of any Freight or Charges, Merchant shall be liable to Carrier for all costs and expenses of recovery of such sums from Merchant plus attorneys' fees, plus the higher of 6% interest or the available commercial interest rate in the country of recovery calculated from the due date of such sums.

20) LIEN
Carrier shall have a particular and general lien on any documents or Goods for all and any unpaid past or present sums whatsoever that are payable by Merchant to the Carrier in accordance with Services and for GA and salvage contributions to whomsoever due. Carrier can at their option hold Goods or sell the Goods at public or private sale without notice to Merchant to satisfy the lien in whole or in part. If the proceeds of sale are less than the costs and expenses including without limitation attorneys' fees fall to cover the amount due, then Carrier is entitled to recover any deficit from Merchant.

21) VARIATION OF THE CONTRACT
No amendment or waiver of or departure from any provision of this Bill shall be valid against Carrier unless such waiver or variation or departure is specifically authorised in writing by a director or officer of Carrier with actual authority to do so. Such waivers or consents by Carrier are not continuous and shall only be effective in the specific instances and purposes for which they are given.

6.3.3 Subject to any compulsory legislation to the contrary and without prejudice to any other provisions of this Bill, if the place where the loss or damage occurred cannot be proven then Carrier's monetary liability will be determined by clause 7.4.

7) GENERAL LIABILITY AND OTHER PROVISIONS
7.1 Where Carrier's liability arises from a cause which is only contributory, Carrier is only liable to the extent that those factors have contributed to the loss or damage.
7.2.1 Subject to any Carrier's Defences, any agreed liability shall be calculated by reference to the value of the Goods as determined by any compulsory law applying or,
7.2.2 if there is no applicable compulsory law then by the FOB/FCA value of the Goods at the place and time at which they were accepted for Carriage, or
7.3 if 7.2.1 & 7.2.2 do not apply then the value shall be calculated by reference to the wholesale value of Goods of the same kind and quality at the time and place of shipment.
7.4 MAXIMUM OF MONETARY LIABILITY: 7.4 (i) Notwithstanding any term or limitation herein to the contrary except clause 6.2.1, and subject to: any higher value declared pursuant to clause 8.3; Hague Rules, COGSA or the Hague-Visby Rules or any other mandatorily applicable; clause 7.5, 10.9 and 19.3; or should any Defences herein be held to not apply, and without prejudice to any agency status of Carrier, the Carrier's maximum liability is as per clause 7.4 (ii).

7.6 (i) Where international transport conventions or international or national law are compulsorily applicable, the Bill still applies. (ii) If any conflict exists between the Bill and such compulsory conditions the latter prevails to the extent of the conflict, but no further. (iii) The Bill applies to any silence or gaps or omissions in provisions in such compulsory conditions.
7.7 It is warranted/agreed that superheat/sust, condensation, or any mould or any like condition due to moisture is not a condition of damage but is inherent to the nature of particular Goods or transport conditions and any Carrier's or Service Provider's receipt of the Goods in apparent good order and condition is not a representation that such condition of Goods did not exist on receipt.

10.5 Carrier or Service Provider can palletise any un-palletised Goods, or breakdown pallets, skids or the like and any and all Goods or pallets and the like can be stacked upon unless prior to receipt of the Goods Carrier has agreed in writing with Merchant that the Goods will not be so stacked and that any Charges arising from such agreement are paid;

12.1.1 carry the Goods to the port of discharge or place of delivery or by an alternative route to that indicated on the reverse side hereof or that which is usual for Goods consigned to that port of discharge or place of delivery; or
12.1.2 suspend the Services (but otherwise not the contract) and store Goods ashore or afloat and endeavour to conclude delivery when reasonably possible, or
12.1.3 abandon the Services and/or reject the Goods and where reasonably possible place the Goods or any part of them at Merchant's disposal at any place that Carrier may deem safe and convenient, whereupon the responsibility and any liability of Carrier in respect of such Goods and Services shall cease.
12.2 Without prejudice to any rights or remedies available to Carrier in accordance with this clause 12, Carrier is entitled to continue the Services.
12.3 In any event Merchant shall pay in full existing Freight & Charges and any additional Freight & Charges arising from or connected with any liberties of clause 12 exercised by the Carrier.
12.4 Carrier's responsibility for Goods shall cease on delivery or other disposition of the Goods in accordance with orders or recommendations given by any government or authority or any Person acting or purporting to act as or on behalf of such government or authority.

13.2 (i) The liberties set out in 13.1 may be invoked by Carrier for any purposes whatsoever and whether or not connected with the Services. (ii) Anything done in accordance with 13.1 or any delay arising therefrom shall be deemed to be within the contractual carriage/Services and Merchant agrees and warrants that such liberties shall not be a deviation of whatsoever nature or degree and Carrier shall be entitled to full Charges and Freight incurred therefrom and to all Defences.

14) MERCHANT INDEMNITY
Without limiting Merchant's other indemnity obligations herein, Merchant agrees to fully indemnify and hold harmless Carrier against all claims or liabilities or damages or costs or expenses or duties, taxes or fines or penalties or imposts and any demands or charges or fees (including but not limited to attorneys' fees) or expenses, of whatsoever kind, nature or amount and whether direct or indirect, arising or in connection with but limited to: (i) any Merchant's breach of any applicable law or obligation or contract or undertaking or warranty or guarantee or representation or any provision of this Bill including but not limited to any resultant loss or damage or delay to any property whatsoever or the environment, or death or injury, or (ii) any cause whatsoever for which Carrier is not responsible or liable, or (iii) any liability whatsoever which exceeds Carrier's liability under this Bill, or (iv) related to Services for Livestock, or (v) any act or error or omission whatsoever of Merchant.

15) DECK CARGO AND LIVESTOCK
15.1 Goods, containerised or not, may be carried on or under deck without notice to Merchant and Carrier will not be required to note on the Bill any statement of on-deck carriage. Merchant agrees and warrants that notwithstanding any liberties of clause 12 exercised by the Carrier, Carrier shall not be liable for any loss or damage of whatsoever kind, nature or amount and whether direct or indirect, arising or in connection with but limited to: (i) any Merchant's breach of any applicable law or obligation or contract or undertaking or warranty or guarantee or representation or any provision of this Bill including but not limited to any resultant loss or damage or delay to any property whatsoever or the environment, or death or injury, or (ii) any cause whatsoever for which Carrier is not responsible or liable, or (iii) any liability whatsoever which exceeds Carrier's liability under this Bill, or (iv) related to Services for Livestock, or (v) any act or error or omission whatsoever of Merchant.

16) NOTIFICATION AND DELIVERY CLAUSE
16.1 Any mention in this Bill of parties to be notified of arrival of Goods is solely for information purposes. Carrier has no liability whatsoever for any failure to provide such notification and such failure shall not relieve Merchant of any obligations hereunder.
16.2 Merchant shall ensure that they take immediate delivery of Goods (i) as notified to the Merchant by the Carrier or (ii) in the absence of such notice on Vessel's discharge or at delivery point shown on reverse hereof.
16.3 If Merchant fails to take delivery of Goods in accordance with clause 16.2 Carrier may without notice remove the Goods from the Container and store the Goods ashore, afloat, in the open or under cover, at the sole risk and expense of Merchant. Such storage constitutes due delivery hereunder and thereupon all liability and responsibility whatsoever of Carrier ceases.
16.4 Merchant's attention is drawn to the expiry of free storage time and Merchant's liability for demurrage costs contained in Carrier's tariff and herein.
16.5 Once the time has expired, the Goods may be stored at the sole risk and expense (including but not limited to demurrage and storage) of Merchant. However, if Carrier believes that the Goods are likely to deteriorate, decay, lose value or incur Charges in excess of their value, Carrier may without notice to Merchant and without prejudice to any other rights or remedies, publicly or privately sell or dispose of the Goods and apply the proceeds to the Freight and any Charges.

17) BOTH-TO-BLAME COLLISION
17.1 If the Vessel comes into collision with another ship due to the negligence of the other ship and any act or neglect of the Carrier in the navigation or management of the Vessel, and Merchant receives compensation or damages paid or payable by the other non-carrying ship for any loss, damage or any claim whatsoever for the Goods or Services, the Merchant shall indemnify & hold harmless Carrier for any such compensation/damages to the extent the non-carrying ship seeks to set off, recoup or recover this from the Vessel or Carrier.
17.2 The provisions of 17.1 will also apply where the owners, operators or those in charge of any ship or ships or objects other than or in addition to the colliding ships or objects, are at fault in respect of a collision or contact.

18) GENERAL AVERAGE

18.1 If a salvage ship is owned or operated by Carrier or Service Provider, salvage shall be paid as if the said salving ship or ships belonged to strangers. Such deposit as Carrier or Service Provider may deem sufficient to cover the estimated contribution of the Goods and any salvage and special charges thereon shall be paid by Merchant to Carrier before delivery.
18.3 Merchant and the Goods must contribute to the payment of any sacrifices, losses or expenses of a GA nature that may be made or incurred and shall pay salvage and special charges incurred in respect of the Goods in the event of accident, danger, damage or disaster before or after the commencement of the voyage resulting from any cause whatsoever, whether due to negligence or not for which, or for the consequence of which, the Carrier is not responsible by statute, contract or otherwise.
18.4 Carrier is not obliged to commence or continue any obligation to take any steps whatsoever to collect security for GA or salvage contributions due from Merchant.

19) FREIGHT AND CHARGES
19.1 Freight & Charges are irrevocably earned, and fully payable by Merchant and non-returnable in any event irrespective whether prepaid, collect or otherwise or whether Goods lost, damaged or delayed.
19.2 Freight & Charges are calculated from particulars furnished by Merchant. Carrier is entitled to production of the commercial invoice and packing list for the Goods or true copies thereof and to inspect, reweigh, remeasure and revalue the Goods. If the particulars are incorrect, Merchant shall pay Carrier the correct Freight & Charges (credit given for the Freight & Charges charged) and any costs incurred in establishing the correct particulars.
19.3 Irrespective of what is used to calculate any Freight or Charges, any Freight or Charges are to be considered for Carrier's liability purposes as "lump sum".
19.4 All Freight & Charges must be paid without any set off, counterclaim, or deduction.
19.5 When requested by any Person by Merchant in respect of any applicable Freight due to Carrier, such Person shall be considered the exclusive agent of Merchant for all purposes and any payment to such Person shall not be considered payment to Carrier. Failure of such Person to promptly pay any part of the Freight or Charges to Carrier shall be considered a default by Merchant in the payment of the Freight or Charges.
19.6 Should the Merchant fail to make timely payment of any Freight or Charges, Merchant shall be liable to Carrier for all costs and expenses of recovery of such sums from Merchant plus attorneys' fees, plus the higher of 6% interest or the available commercial interest rate in the country of recovery calculated from the due date of such sums.

20) LIEN
Carrier shall have a particular and general lien on any documents or Goods for all and any unpaid past or present sums whatsoever that are payable by Merchant to the Carrier in accordance with Services and for GA and salvage contributions to whomsoever due. Carrier can at their option hold Goods or sell the Goods at public or private sale without notice to Merchant to satisfy the lien in whole or in part. If the proceeds of sale are less than the costs and expenses including without limitation attorneys' fees fall to cover the amount due, then Carrier is entitled to recover any deficit from Merchant.

21) VARIATION OF THE CONTRACT
No amendment or waiver of or departure from any provision of this Bill shall be valid against Carrier unless such waiver or variation or departure is specifically authorised in writing by a director or officer of Carrier with actual authority to do so. Such waivers or consents by Carrier are not continuous and shall only be effective in the specific instances and purposes for which they are given.

Such deposit as Carrier or Service Provider may deem sufficient to cover the estimated contribution of the Goods and any salvage and special charges thereon shall be paid by Merchant to Carrier before delivery.
18.3 Merchant and the Goods must contribute to the payment of any sacrifices, losses or expenses of a GA nature that may be made or incurred and shall pay salvage and special charges incurred in respect of the Goods in the event of accident, danger, damage or disaster before or after the commencement of the voyage resulting from any cause whatsoever, whether due to negligence or not for which, or for the consequence of which, the Carrier is not responsible by statute, contract or otherwise.

19.2 Freight & Charges are calculated from particulars furnished by Merchant. Carrier is entitled to production of the commercial invoice and packing list for the Goods or true copies thereof and to inspect, reweigh, remeasure and revalue the Goods. If the particulars are incorrect, Merchant shall pay Carrier the correct Freight & Charges (credit given for the Freight & Charges charged) and any costs incurred in establishing the correct particulars.

19.4 All Freight & Charges must be paid without any set off, counterclaim, or deduction.
19.5 When requested by any Person by Merchant in respect of any applicable Freight due to Carrier, such Person shall be considered the exclusive agent of Merchant for all purposes and any payment to such Person shall not be considered payment to Carrier. Failure of such Person to promptly pay any part of the Freight or Charges to Carrier shall be considered a default by Merchant in the payment of the Freight or Charges.

Carrier can at their option hold Goods or sell the Goods at public or private sale without notice to Merchant to satisfy the lien in whole or in part. 7) GENERAL LIABILITY AND OTHER PROVISIONS
7.1 Where Carrier's liability arises from a cause which is only contributory, Carrier is only liable to the extent that those factors have contributed to the loss or damage.
7.2.1 Subject to any Carrier's Defences, any agreed liability shall be calculated by reference to the value of the Goods as determined by any compulsory law applying or,
7.2.2 if there is no applicable compulsory law then by the FOB/FCA value of the Goods at the place and time at which they were accepted for Carriage, or
7.3 if 7.2.1 & 7.2.2 do not apply then the value shall be calculated by reference to the wholesale value of Goods of the same kind and quality at the time and place of shipment.
7.4 MAXIMUM OF MONETARY LIABILITY: 7.4 (i) Notwithstanding any term or limitation herein to the contrary except clause 6.2.1, and subject to: any higher value declared pursuant to clause 8.3; Hague Rules, COGSA or the Hague-Visby Rules or any other mandatorily applicable; clause 7.5, 10.9 and 19.3; or should any Defences herein be held to not apply, and without prejudice to any agency status of Carrier, the Carrier's maximum liability is as per clause 7.4 (ii).

(ii) If any conflict exists between the Bill and such compulsory conditions the latter prevails to the extent of the conflict, but no further. (iii) The Bill applies to any silence or gaps or omissions in provisions in such compulsory conditions.
7.7 It is warranted/agreed that superheat/sust, condensation, or any mould or any like condition due to moisture is not a condition of damage but is inherent to the nature of particular Goods or transport conditions and any Carrier's or Service Provider's receipt of the Goods in apparent good order and condition is not a representation that such condition of Goods did not exist on receipt.

16.3 If Merchant fails to take delivery of Goods in accordance with clause 16.2 Carrier may without notice remove the Goods from the Container and store the Goods ashore, afloat, in the open or under cover, at the sole risk and expense of Merchant. Such storage constitutes due delivery hereunder and thereupon all liability and responsibility whatsoever of Carrier ceases.
16.4 Merchant's attention is drawn to the expiry of free storage time and Merchant's liability for demurrage costs contained in Carrier's tariff and herein.
16.5 Once the time has expired, the Goods may be stored at the sole risk and expense (including but not limited to demurrage and storage) of Merchant. 18.3 Merchant and the Goods must contribute to the payment of any sacrifices, losses or expenses of a GA nature that may be made or incurred and shall pay salvage and special charges incurred in respect of the Goods in the event of accident, danger, damage or disaster before or after the commencement of the voyage resulting from any cause whatsoever, whether due to negligence or not for which, or for the consequence of which, the Carrier is not responsible by statute, contract or otherwise.

19.4 All Freight & Charges must be paid without any set off, counterclaim, or deduction.
19.5 When requested by any Person by Merchant in respect of any applicable Freight due to Carrier, such Person shall be considered the exclusive agent of Merchant for all purposes and any payment to such Person shall not be considered payment to Carrier. Failure of such Person to promptly pay any part of the Freight or Charges to Carrier shall be considered a default by Merchant in the payment of the Freight or Charges.

6.2 Port to Port Shipments
6.2.1 US shipments: If Bill includes carriage to/from the USA, Bill is subject to COGSA, the terms of which are incorporated herein and are paramount throughout the carriage by sea and for the entire time that Goods are in the actual custody of the Carrier or the Service Provider, including before loading onto or after discharge from the Vessel, in the Port Area.
6.2.2 Non-US shipments: In so far as Bill relates to carriage that is not to or from the USA; (i) Bill is subject to any law making the provisions of the Hague Rules or the Hague-Visby Rules, if any, applicable to Bill, and (ii) in respect of the period whilst Goods are in the Port Area and where the Hague Rules or Hague-Visby Rules are not compulsorily applicable, then Merchant appoints Carrier as agent to enter into any contracts on their behalf with any Person or applicable Service Provider for any Services and on any terms whatsoever **including terms less favourable than the terms in this Bill (copies of such terms being available on request).** (iii) (a) Carrier has no liability whatsoever for loss, damage, delay, non-delivery or mis-delivery of or to the Goods howsoever caused before loading onto or after discharge from the Vessel whilst at the Port Area, unless Goods are in Carrier's actual possession. (b) In the event that clause or part of clause 6.2.2 (a) is ineffective, then clause 7.4 applies.
6.2.3 Subject to any compulsory law, Hague and Hague-Visby Rules or COGSA (as applicable) shall also extend to any lighterage services and any waterborne carriage and to any coastal traffic or inland waterways. Reference to carriage by sea in the Hague or Hague-Visby Rules, COGSA or relative national law is deemed to include inland waterways.
6.2.4 Carrier is entitled to (and nothing herein operates to deprive or limit such entitlement) the full benefit and rights to all Defences and all rights conferred by any applicable law or regulation of any country (including but not limited to any provisions of Chapter 305 of Title 46 of the United States Code and any amendments thereto) and without prejudice to the generality of the foregoing also the benefit of any law or regulation whatsoever that is available to any Service Provider, including but not limited to the London Limitation Convention 1976 or any applicable convention or law governing the rights of shipowners or charterers to limit their liability in accordance with the Vessel's tonnage or value.

6.3 Through Transport
6.3.1 Carrier's Port to Port & Port Area liability for Through Transport is as per clause 6.2.
6.3.2 If for any reason clause 6.1(i) does not apply with regard to any Services and subject to clause 8.3, Merchant nevertheless acknowledges and agrees that Carrier's liability is determined in accordance with: (i) the contracts, tariffs, or bills of lading of any responsible Service Provider (& clause 6.1(ii) applies) or (ii) for shipments to or from the United States in compliance with the liability standards and defences of COGSA, or (iii) for monetary limitations clause 7.4 herein, whichever imposes the least liability on the Carrier, and (iv) where a Service Provider's lower monetary limitation is applicable Carrier is entitled to avail itself of such lower liability and under no circumstances whatsoever shall Carrier be liable to a greater extent than it can recover from the actual Service Provider engaged to perform the Services.
6.3.3 Subject to any compulsory legislation to the contrary and without prejudice to any other provisions of this Bill, if the place where the loss or damage occurred cannot be proven then Carrier's monetary liability will be determined by clause 7.4.
6.3.4 If the place where the loss or damage occurred can be proved:
6.3.5 Subject to clause 7.6, the liability of Carrier shall be determined by the provisions contained in any International Convention or law that is compulsorily applicable.
6.3.6 If there is no International Convention or other compulsory law applying, then Carrier's liability is determined by the provisions of this Bill.
6.3.7 Notice of Opting out of Carmack Amendment/ICC Termination Act of 1995: Where Through Transport commences or terminates in the United States, should for any reason it be determined that Carmack applies to the Services or this Bill, then the following applies: (i) Carrier shall arrange transport with US land Service Providers, either as ocean carriage as defined by 49 U.S.C. Section 13506, or if not so exempt, then as "contract carriage" as defined by 49 U.S.C. 13102(4), under this Bill. (ii) Merchant expressly waives all rights and remedies it may have as to Carrier and its appointed motor or rail carriers under 49 U.S.C. Subtitle IV, Part B (excluding §§ 13703, 13706, 14101 and 14103) to the full extent permitted by 49 U.S.C. § 14101(b)(1), each as amended from time to time.

7) GENERAL LIABILITY AND OTHER PROVISIONS
7.1 Where Carrier's liability arises from a cause which is only contributory, Carrier is only liable to the extent that those factors have contributed to the loss or damage.
7.2.1 Subject to any Carrier's Defences, any agreed liability shall be calculated by reference to the value of the Goods as determined by any compulsory law applying or,
7.2.2 if there is no applicable compulsory law then by the FOB/FCA value of the Goods at the place and time at which they were accepted for Carriage, or
7.3 if 7.2.1 & 7.2.2 do not apply then the value shall be calculated by reference to the wholesale value of Goods of the same kind and quality at the time and place of shipment.
7.4 MAXIMUM OF MONETARY LIABILITY: 7.4 (i) Notwithstanding any term or limitation herein to the contrary except clause 6.2.1, and subject to: any higher value declared pursuant to clause 8.3; Hague Rules, COGSA or the Hague-Visby Rules or any other mandatorily applicable; clause 7.5, 10.9 and 19.3; or should any Defences herein be held to not apply, and without prejudice to any agency status of Carrier, the Carrier's maximum liability is as per clause 7.4 (ii).
7.4 (ii) Carrier's maximum liability for loss or damage or delay or mis-delivery or any other liability whatsoever in direct or indirect connection with or howsoever arising from (including without limitation from negligence of any kind) the Goods or Services will not in any circumstances whatsoever exceed a sum of (a) US$500 per Package or CFU or (b) US$2.00 per kilo of the gross weight of the Goods affected or (c) the sum of Merchant's loss or the value of such Goods or (d) the Service Providers' monetary limits of liability, **whichever is the least.**
7.5 Carrier has no liability for correction costs for any erroneous shipment of Goods to an incorrect destination. Without prejudice to the foregoing or any other Carrier's rights and remedies, if Carrier is for some reason found liable in this respect, then any liability shall be limited to a maximum sum of US$2,500.00.
7.6 (i) Where international transport conventions or international or national law are compulsorily applicable, the Bill still applies. (ii) If any conflict exists between the Bill and such compulsory conditions the latter prevails to the extent of the conflict, but no further. (iii) The Bill applies to any silence or gaps or omissions in provisions in such compulsory conditions.
7.7 It is warranted/agreed that superheat/sust, condensation, or any mould or any like condition due to moisture is not a condition of damage but is inherent to the nature of particular Goods or transport conditions and any Carrier's or Service Provider's receipt of the Goods in apparent good order and condition is not a representation that such condition of Goods did not exist on receipt.

8) AD VALOREM, FORCE MAJEURE, EXCLUSIONS, DELAY, LIMITATIONS, AND TIME BAR
8.1 Force Majeure/Other Exclusions.
8.1.1 Carrier will be relieved from its duty to perform its obligations for the Services due to any Force Majeure event.

8.3 Ad Valorem: declared value for increased level of liability.
8.3.1(i) Notwithstanding any other provisions of this Bill, Merchant may request and obtain an increased level of liability higher than that otherwise provided for in this Bill, only by declaring in writing the value of the Goods and paying any additional Charges. Such request must be agreed in writing by Carrier prior to rendering Services. Such agreed declared value shall be substituted for the limits of liability for loss of or damage to Goods under this Bill. (ii) This declared value is not a guarantee that the true value of the Goods at destination is less than such declared value, the lower value shall be deemed to be the declared value. 8.3.1(iii) Any partial loss or damage shall be adjusted pro rata on the basis of such declared value.

10.4 Goods may be Stuffed by Carrier in or on Containers and Goods may be Stuffed with other goods of whatsoever nature;
10.5 Carrier or Service Provider can palletise any un-palletised Goods, or breakdown pallets, skids or the like and any and all Goods or pallets and the like can be stacked upon unless prior to receipt of the Goods Carrier has agreed in writing with Merchant that the Goods will not be so stacked and that any Charges arising from such agreement are paid;

(ii) Carrier has no liability for damage or loss of Goods (a) in absence of such evidence, or (b) where any loss or discrepancy to Merchant's seal is evidenced prior to or after Carrier's care, custody or control, or (c) seal is intact on delivery to consignee.

Merchant will be responsible for all Charges resulting from such inspection.

12) MATTERS AFFECTING PERFORMANCE

12.1.2 suspend the Services (but otherwise not the contract) and store Goods ashore or afloat and endeavour to conclude delivery when reasonably possible, or
12.1.3 abandon the Services and/or reject the Goods and where reasonably possible place the Goods or any part of them at Merchant's disposal at any place that Carrier may deem safe and convenient, whereupon the responsibility and any liability of Carrier in respect of such Goods and Services shall cease.
12.2 Without prejudice to any rights or remedies available to Carrier in accordance with this clause 12, Carrier is entitled to continue the Services.
12.3 In any event Merchant shall pay in full existing Freight & Charges and any additional Freight & Charges arising from or connected with any liberties of clause 12 exercised by the Carrier.

13.2 (i) The liberties set out in 13.1 may be invoked by Carrier for any purposes whatsoever and whether or not connected with the Services. (ii) Anything done in accordance with 13.1 or any delay arising therefrom shall be deemed to be within the contractual carriage/Services and Merchant agrees and warrants that such liberties shall not be a deviation of whatsoever nature or degree and Carrier shall be entitled to full Charges and Freight incurred therefrom and to all Defences.

14) MERCHANT INDEMNITY
Without limiting Merchant's other indemnity obligations herein, Merchant agrees to fully indemnify and hold harmless Carrier against all claims or liabilities or damages or costs or expenses or duties, taxes or fines or penalties or imposts and any demands or charges or fees (including but not limited to attorneys' fees) or expenses, of whatsoever kind, nature or amount and whether direct or indirect, arising or in connection with but limited to: (i) any Merchant's breach of any applicable law or obligation or contract or undertaking or warranty or guarantee or representation or any provision of this Bill including but not limited to any resultant loss or damage or delay to any property whatsoever or the environment, or death or injury, or (ii) any cause whatsoever for which Carrier is not responsible or liable, or (iii) any liability whatsoever which exceeds Carrier's liability under this Bill, or (iv) related to Services for Livestock, or (v) any act or error or omission whatsoever of Merchant.

15) DECK CARGO AND LIVESTOCK
15.1 Goods, containerised or not, may be carried on or under deck without notice to Merchant and Carrier will not be required to note on the Bill any statement of on-deck carriage. Merchant agrees and warrants that notwithstanding any liberties of clause 12 exercised by the Carrier, Carrier shall not be liable for any loss or damage of whatsoever kind, nature or amount and whether direct or indirect, arising or in connection with but limited to: (i) any Merchant's breach of any applicable law or obligation or contract or undertaking or warranty or guarantee or representation or any provision of this Bill including but not limited to any resultant loss or damage or delay to any property whatsoever or the environment, or death or injury, or (ii) any cause whatsoever for which Carrier is not responsible or liable, or (iii) any liability whatsoever which exceeds Carrier's liability under this Bill, or (iv) related to Services for Livestock, or (v) any act or error or omission whatsoever of Merchant.

16) NOTIFICATION AND DELIVERY CLAUSE
16.1 Any mention in this Bill of parties to be notified of arrival of Goods is solely for information purposes. Carrier has no liability whatsoever for any failure to provide such notification and such failure shall not relieve Merchant of any obligations hereunder.
16.2 Merchant shall ensure that they take immediate delivery of Goods (i) as notified to the Merchant by the Carrier or (ii) in the absence of such notice on Vessel's discharge or at delivery point shown on reverse hereof.
16.3 If Merchant fails to take delivery of Goods in accordance with clause 16.2 Carrier may without notice remove the Goods from the Container and store the Goods ashore, afloat, in the open or under cover, at the sole risk and expense of Merchant. Such storage constitutes due delivery hereunder and thereupon all liability and responsibility whatsoever of Carrier ceases.
16.4 Merchant's attention is drawn to the expiry of free storage time and Merchant's liability for demurrage costs contained in Carrier's tariff and herein.
16.5 Once the time has expired, the Goods may be stored at the sole risk and expense (including but not limited to demurrage and storage) of Merchant. However, if Carrier believes that the Goods are likely to deteriorate, decay, lose value or incur Charges in excess of their value, Carrier may without notice to Merchant and without prejudice to any other rights or remedies, publicly or privately sell or dispose of the Goods and apply the proceeds to the Freight and any Charges.

17) BOTH-TO-BLAME COLLISION
17.1 If the Vessel comes into collision with another ship due to the negligence of the other ship and any act or neglect of the Carrier in the navigation or management of the Vessel, and Merchant receives compensation or damages paid or payable by the other non-carrying ship for any loss, damage or any claim whatsoever for the Goods or Services, the Merchant shall indemnify & hold harmless Carrier for any such compensation/damages to the extent the non-carrying ship seeks to set off, recoup or recover this from the Vessel or Carrier.
17.2 The provisions of 17.1 will also apply where the owners, operators or those in charge of any ship or ships or objects other than or in addition to the colliding ships or objects, are at fault in respect of a collision or contact.

18) GENERAL AVERAGE
18.1 Carrier may declare General Average (GA) at any place and GA is adjustable according to the current version of York-Antwerp Rules or as stated in the Service Provider's terms and conditions, at the option of Carrier. Merchant agrees to pay any GA and warrants that they shall provide any GA security as required by Carrier and shall jointly and severally contribute with the Service Provider in GA to the payment of any sacrifices, losses or expenses of a GA nature that may be made or incurred and shall pay salvage and any other charges incurred in respect of the Goods.
18.1 If a salvage ship is owned or operated by Carrier or Service Provider, salvage shall be paid as if the said salving ship or ships belonged to strangers. Such deposit as Carrier or Service Provider may deem sufficient to cover the estimated contribution of the Goods and any salvage and special charges thereon shall be paid by Merchant to Carrier before delivery.
18.3 Merchant and the Goods must contribute to the payment of any sacrifices, losses or expenses of a GA nature that may be made or incurred and shall pay salvage and special charges incurred in respect of the Goods in the event of accident, danger, damage or disaster before or after the commencement of the voyage resulting from any cause whatsoever, whether due to negligence or not for which, or for the consequence of which, the Carrier is not responsible by statute, contract or otherwise.
18.4 Carrier is not obliged to commence or continue any obligation to take any steps whatsoever to collect security for GA or salvage contributions due from Merchant.

19) FREIGHT AND CHARGES
19.1 Freight & Charges are irrevocably earned, and fully payable by Merchant and non-returnable in any event irrespective whether prepaid, collect or otherwise or whether Goods lost, damaged or delayed.
19.2 Freight & Charges are calculated from particulars furnished by Merchant. Carrier is entitled to production of the commercial invoice and packing list for the Goods or true copies thereof and to inspect, reweigh, remeasure and revalue the Goods. If the particulars are incorrect, Merchant shall pay Carrier the correct Freight & Charges (credit given for the Freight & Charges charged) and any costs incurred in establishing the correct particulars.
19.3 Irrespective of what is used to calculate any Freight or Charges, any Freight or Charges are to be considered for Carrier's liability purposes as "lump sum".
19.4 All Freight & Charges must be paid without any set off, counterclaim, or deduction.
19.5 When requested by any Person by Merchant in respect of any applicable Freight due to Carrier, such Person shall be considered the exclusive agent of Merchant for all purposes and any payment to such Person shall not be considered payment to Carrier. Failure of such Person to promptly pay any part of the Freight or Charges to Carrier shall be considered a default by Merchant in the payment of the Freight or Charges.
19.6 Should the Merchant fail to make timely payment of any Freight or Charges, Merchant shall be liable to Carrier for all costs and expenses of recovery of such sums from Merchant plus attorneys' fees, plus the higher of 6% interest or the available commercial interest rate in the country of recovery calculated from the due date of such sums.

20) LIEN

Carrier can at their option hold Goods or sell the Goods at public or private sale without notice to Merchant to satisfy the lien in whole or in part. If the proceeds of sale are less than the costs and expenses including without limitation attorneys' fees fall to cover the amount due, then Carrier is entitled to recover any deficit from Merchant.

21) VARIATION OF THE CONTRACT
No amendment or waiver of or departure from any provision of this Bill shall be valid against Carrier unless such waiver or variation or departure is specifically authorised in writing by a director or officer of Carrier with actual authority to do so. Such waivers or consents by Carrier are not continuous and shall only be effective in the specific instances and purposes for which they are given.

22) PARTIAL INVALIDITY

12.3 In any event Merchant shall pay in full existing Freight & Charges and any additional Freight & Charges arising from or connected with any liberties of clause 12 exercised by the Carrier.

14) MERCHANT INDEMNITY
Without limiting Merchant's other indemnity obligations herein, Merchant agrees to fully indemnify and hold harmless Carrier against all claims or liabilities or damages or costs or expenses or duties, taxes or fines or penalties or imposts and any demands or charges or fees (including but not limited to attorneys' fees) or expenses, of whatsoever kind, nature or amount and whether direct or indirect, arising or in connection with but limited to: (i) any Merchant's breach of any applicable law or obligation or contract or undertaking or warranty or guarantee or representation or any provision of this Bill including but not limited to any resultant loss or damage or delay to any property whatsoever or the environment, or death or injury, or (ii) any cause whatsoever for which Carrier is not responsible or liable, or (iii) any liability whatsoever which exceeds Carrier's liability under this Bill, or (iv) related to Services for Livestock, or (v) any act or error or omission whatsoever of Merchant.

16.2 Merchant shall ensure that they take immediate delivery of Goods (i) as notified to the Merchant by the Carrier or (ii) in the absence of such notice on Vessel's discharge or at delivery point shown on reverse hereof.
16.3 If Merchant fails to take delivery of Goods in accordance with clause 16.2 Carrier may without notice remove the Goods from the Container and store the Goods ashore, afloat, in the open or under cover, at the sole risk and expense of Merchant. Such storage constitutes due delivery hereunder and thereupon all liability and responsibility whatsoever of Carrier ceases.
16.4 Merchant's attention is drawn to the expiry of free storage time and Merchant's liability for demurrage costs contained in Carrier's tariff and herein.
16.5 Once the time has expired, the Goods may be stored at the sole risk and expense (including but not limited to demurrage and storage) of Merchant. Such deposit as Carrier or Service Provider may deem sufficient to cover the estimated contribution of the Goods and any salvage and special charges thereon shall be paid by Merchant to Carrier before delivery.
18.3 Merchant and the Goods must contribute to the payment of any sacrifices, losses or expenses of a GA nature that may be made or incurred and shall pay salvage and special charges incurred in respect of the Goods in the event of accident, danger, damage or disaster before or after the commencement of the voyage resulting from any cause whatsoever, whether due to negligence or not for which, or for the consequence of which, the Carrier is not responsible by statute, contract or otherwise.

19.4 All Freight & Charges must be paid without any set off, counterclaim, or deduction.
19.5 When requested by any Person by Merchant in respect of any applicable Freight due to Carrier, such Person shall be considered the exclusive agent of Merchant for all purposes and any payment to such Person shall not be considered payment to Carrier. Failure of such Person to promptly pay any part of the Freight or Charges to Carrier shall be considered a default by Merchant in the payment of the Freight or Charges.
19.6 Should the Merchant fail to make timely payment of any Freight or Charges, Merchant shall be liable to Carrier for all costs and expenses of recovery of such sums from Merchant plus attorneys' fees, plus the higher of 6% interest or the available commercial interest rate in the country of recovery calculated from the due date of such sums.

7.2.1 Subject to any Carrier's Defences, any agreed liability shall be calculated by reference to the value of the Goods as determined by any compulsory law applying or,
7.2.2 if there is no applicable compulsory law then by the FOB/FCA value of the Goods at the place and time at which they were accepted for Carriage, or
7.3 if 7.2.1 & 7.2.2 do not apply then the value shall be calculated by reference to the wholesale value of Goods of the same kind and quality at the time and place of shipment.
7.4 MAXIMUM OF MONETARY LIABILITY: 7.4 (i) Notwithstanding any term or limitation herein to the contrary except clause 6.2.1, and subject to: any higher value declared pursuant to clause 8.3; Hague Rules, COGSA or the Hague-Visby Rules or any other mandatorily applicable; clause 7.5, 10.9 and 19.3; or should any Defences herein be held to not apply, and without prejudice to any agency status of Carrier, the Carrier's maximum liability is as per clause 7.4 (ii).
7.4 (ii) Carrier's maximum liability for loss or damage or delay or mis-delivery or any other liability whatsoever in direct or indirect connection with or howsoever arising from (including without limitation from negligence of any kind) the Goods or Services will not in any circumstances whatsoever exceed a sum of (a) US$500 per Package or CFU or (b) US$2.00 per kilo of the gross weight of the Goods affected or (c) the sum of Merchant's loss or the value of such Goods or (d) the Service Providers' monetary limits of liability, **whichever is the least.**

7.6 (i) Where international transport conventions or international or national law are compulsorily applicable, the Bill still applies. (ii) If any conflict exists between the Bill and such compulsory conditions the latter prevails to the extent of the conflict, but no further. (iii) The Bill applies to any silence or gaps or omissions in provisions in such compulsory conditions.
7.7 It is warranted/agreed that superheat/sust, condensation, or any mould or any like condition due to moisture is not a condition of damage but is inherent to the nature of particular Goods or transport conditions and any Carrier's or Service Provider's receipt of the Goods in apparent good order and condition is not a representation that such condition of Goods did not exist on receipt.

8) AD VALOREM, FORCE MAJEURE, EXCLUSIONS, DELAY, LIMITATIONS, AND TIME BAR
8.1 Force Majeure/Other Exclusions.
8.1.1 Carrier will be relieved from its duty to perform its obligations for the Services due to any Force Majeure event.

8.3 Ad Valorem: declared value for increased level of liability.
8.3.1(i) Notwithstanding any other provisions of this Bill, Merchant may request and obtain an increased level of liability higher than that otherwise provided for in this Bill, only by declaring in writing the value of the Goods and paying any additional Charges. Such request must be agreed in writing by Carrier prior to rendering Services. Such agreed declared value shall be substituted for the limits of liability for loss of or damage to Goods under this Bill. (ii) This declared value is not a guarantee that the true value of the Goods at destination is less than such declared value, the lower value shall be deemed to be the declared value. 8.3.1(iii) Any partial loss or damage shall be adjusted pro rata on the basis of such declared value.

10.3 unless otherwise confirmed by Merchant and agreed by Carrier in writing, the Goods are not temperature sensitive and do not require any special Containers, handling, storage, stowage, care or facilities;
10.4 Goods may be Stuffed by Carrier in or on Containers and Goods may be Stuffed with other goods of whatsoever nature;
10.5 Carrier or Service Provider can palletise any un-palletised Goods, or breakdown pallets, skids or the like and any and all Goods or pallets and the like can be stacked upon unless prior to receipt of the Goods Carrier has agreed in writing with Merchant that the Goods will not be so stacked and that any Charges arising from such agreement are paid;
10.6 if a Container has been Stuffed by or on behalf of Merchant then Carrier is not liable for any loss of or damage or delay to the Goods caused by: (i) the way the Container has been Stuffed; or (ii) the unsuitability of or the defective condition of the Goods or their preparation for the Services or (iii) the unsuitability or defective condition of the Container or the incorrect setting of any refrigeration controls, humidity or ventilation settings; except if the Container is supplied by or on behalf of Carrier in such Container's condition or incorrect settings were not apparent upon proven diligence and inspection by the Merchant at or prior to Stuffing, then exclusion 10.6(iii) does not apply; or (iv) Stuffing Goods that are not at the correct temperature for carriage; or (v) inadequate or absence or incorrect supply of Merchant's information or instructions;
10.7 (i) Container must be delivered to Carrier with an intact high-security seal in place and photographic evidence of the seal number will be provided to Carrier, except where Carrier has given written agreement to seal the Container. In the event the Container is not so sealed by Merchant, Carrier reserves the right to return the Container to Merchant for resealing or to affix a seal, all at Merchant's cost. (ii) Carrier has no liability for damage or loss of Goods (a) in absence of such evidence, or (b) where any loss or discrepancy to Merchant's seal is evidenced prior to or after Carrier's care, custody or control, or (c) seal is intact on delivery to consignee.

11) INSPECTION OF GOODS

If Carrier exercises such liberty or if done by order of any government or other authority at any place, Carrier will not be liable for any loss or damage or delay incurred as a result. Merchant will be responsible for all Charges resulting from such inspection.

12) MATTERS AFFECTING PERFORMANCE
12.1 If at any time the Services are or are likely to be affected by any hindrance, risk, delay, difficulty or disadvantage of any kind (including but not limited to the Goods' condition, or late collection/delivery or abandonment or breach of clause 9, by the Merchant) whenever and howsoever arising and whether due to Force Majeure or otherwise or not whether or not the Services have commenced, Carrier may at its sole discretion and without prior notice to Merchant:
12.1.1 carry the Goods to the port of discharge or place of delivery or by an alternative route to that indicated on the reverse side hereof or that which is usual for Goods consigned to that port of discharge or place of delivery; or
12.1.2 suspend the Services (but otherwise not the contract) and store Goods ashore or afloat and endeavour to conclude delivery when reasonably possible, or
12.1.3 abandon the Services and/or reject the Goods and where reasonably possible place the Goods or any part of them at Merchant's disposal at any place that Carrier may deem safe and convenient, whereupon the responsibility and any liability of Carrier in respect of such Goods and Services shall cease.
12.2 Without prejudice to any rights or remedies available to Carrier in accordance with this clause 12, Carrier is entitled to continue the Services.
12.3 In any event Merchant shall pay in full existing Freight & Charges and any additional Freight & Charges arising from or connected with any liberties of clause 12 exercised by the Carrier.
12.4 Carrier's responsibility for Goods shall cease on delivery or other disposition of the Goods in accordance with orders or recommendations given by any government or authority or any Person acting or purporting to act as or on behalf of such government or authority.

13.1.3 transfer at any stopping place the Goods from or to a conveyance or Container for transhipping/transloading; or load, unload or store the Goods at any place or port or forward the same in any manner whatsoever, whether scheduled or not;
13.1.4 proceed at any speed, route, place or port at Carrier's discretion whether or not by the nearest or most direct or customary or scheduled route and proceed to or stay at any place whatsoever and whenever in any order;
13.1.5 comply with any orders, directions, or recommendations given by or from (i) any Person acting or purporting to act as or on behalf of a government or authority or having such authority; or (ii) Service Providers' or Persons', contractual authority;
13.1.6 proceed with or without pilots, to tow or be towed or to be dry-docked;
13.1.7 carry Livestock, explosives, munitions, dangerous or hazardous Goods or lawful Goods of any and all kinds.
13.2 (i) The liberties set out in 13.1 may be invoked by Carrier for any purposes whatsoever and whether or not connected with the Services. (ii) Anything done in accordance with 13.1 or any delay arising therefrom shall be deemed to be within the contractual carriage/Services and Merchant agrees and warrants that such liberties shall not be a deviation of whatsoever nature or degree and Carrier shall be entitled to full Charges and Freight incurred therefrom and to all Defences.

14) MERCHANT INDEMNITY
Without limiting Merchant's other indemnity obligations herein, Merchant agrees to fully indemnify and hold harmless Carrier against all claims or liabilities or damages or costs or expenses or duties, taxes or fines or penalties or imposts and any demands or charges or fees (including but not limited to attorneys' fees) or expenses, of whatsoever kind, nature or amount and whether direct or indirect, arising or in connection with but limited to: (i) any Merchant's breach of any applicable law or obligation or contract or undertaking or warranty or guarantee or representation or any provision of this Bill including but not limited to any resultant loss or damage or delay to any property whatsoever or the environment, or death or injury, or (ii) any cause whatsoever for which Carrier is not responsible or liable, or (iii) any liability whatsoever which exceeds Carrier's liability under this Bill, or (iv) related to Services for Livestock, or (v) any act or error or omission whatsoever of Merchant.

15) DECK CARGO AND LIVESTOCK
15.1 Goods, containerised or not, may be carried on or under deck without notice to Merchant and Carrier will not be required to note on the Bill any statement of on-deck carriage. Merchant agrees and warrants that notwithstanding any liberties of clause 12 exercised by the Carrier, Carrier shall not be liable for any loss or damage of whatsoever kind, nature or amount and whether direct or indirect, arising or in connection with but limited to: (i) any Merchant's breach of any applicable law or obligation or contract or undertaking or warranty or guarantee or representation or any provision of this Bill including but not limited to any resultant loss or damage or delay to any property whatsoever or the environment, or death or injury, or (ii) any cause whatsoever for which Carrier is not responsible or liable, or (iii) any liability whatsoever which exceeds Carrier's liability under this Bill, or (iv) related to Services for Livestock, or (v) any act or error or omission whatsoever of Merchant.

16) NOTIFICATION AND DELIVERY CLAUSE
16.1 Any mention in this Bill of parties to be notified of arrival of Goods is solely for information purposes. Carrier has no liability whatsoever for any failure to provide such notification and such failure shall not relieve Merchant of any obligations hereunder.
16.2 Merchant shall ensure that they take immediate delivery of Goods (i) as notified to the Merchant by the Carrier or (ii) in the absence of such notice on Vessel's discharge or at delivery point shown on reverse hereof.
16.3 If Merchant fails to take delivery of Goods in accordance with clause 16.2 Carrier may without notice remove the Goods from the Container and store the Goods ashore, afloat, in the open or under cover, at the sole risk and expense of Merchant. Such storage constitutes due delivery hereunder and thereupon all liability and responsibility whatsoever of Carrier ceases.
16.4 Merchant's attention is drawn to the expiry of free storage time and Merchant's liability for demurrage costs contained in Carrier's tariff and herein.
16.5 Once the time has expired, the Goods may be stored at the sole risk and expense (including but not limited to demurrage and storage) of Merchant. However, if Carrier believes that the Goods are likely to deteriorate, decay, lose value or incur Charges in excess of their value, Carrier may without notice to Merchant and without prejudice to any other rights or remedies, publicly or privately sell or dispose of the Goods and apply the proceeds to the Freight and any Charges.

17) BOTH-TO-BLAME COLLISION
17.1 If the Vessel comes into collision with another ship due to the negligence of the other ship and any act or neglect of the Carrier in the navigation or management of the Vessel, and Merchant receives compensation or damages paid or payable by the other non-carrying ship for any loss, damage or any claim whatsoever for the Goods or Services, the Merchant shall indemnify & hold harmless Carrier for any such compensation/damages to the extent the non-carrying ship seeks to set off, recoup or recover this from the Vessel or Carrier.
17.2 The provisions of 17.1 will also apply where the owners, operators or those in charge of any ship or ships or objects other than or in addition to the colliding ships or objects, are at fault in respect of a collision or contact.

18) GENERAL AVERAGE
18.1 Carrier may declare General Average (GA) at any place and GA is adjustable according to the current version of York-Antwerp Rules or as stated in the Service Provider's terms and conditions, at the option of Carrier. Merchant agrees to pay any GA and warrants that they shall provide any GA security as required by Carrier and shall jointly and severally contribute with the Service Provider in GA to the payment of any sacrifices, losses or expenses of a GA nature that may be made or incurred and shall pay salvage and any other charges incurred in respect of the Goods.
18.1 If a salvage ship is owned or operated by Carrier or Service Provider, salvage shall be paid as if the said salving ship or ships belonged to strangers. Such deposit as Carrier or Service Provider may deem sufficient to cover the estimated contribution of the Goods and any salvage and special charges thereon shall be paid by Merchant to Carrier before delivery.
18.3 Merchant and the Goods must contribute to the payment of any sacrifices, losses or expenses of a GA nature that may be made or incurred and shall pay salvage and special charges incurred in respect of the Goods in the event of accident, danger, damage or disaster before or after the commencement of the voyage resulting from any cause whatsoever, whether due to negligence or not for which, or for the consequence of which, the Carrier is not responsible by statute, contract or otherwise.
18.4 Carrier is not obliged to commence or continue any obligation to take any steps whatsoever to collect security for GA or salvage contributions due from Merchant.

19) FREIGHT AND CHARGES
19.1 Freight & Charges are irrevocably earned, and fully payable by Merchant and non-returnable in any event irrespective whether prepaid, collect or otherwise or whether Goods lost, damaged or delayed.
19.2 Freight & Charges are calculated from particulars furnished by Merchant. Carrier is entitled to production of the commercial invoice and packing list for the Goods or true copies thereof and to inspect, reweigh, remeasure and revalue the Goods. If the particulars are incorrect, Merchant shall pay Carrier the correct Freight & Charges (credit given for the Freight & Charges charged) and any costs incurred in establishing the correct particulars.
19.3 Irrespective of what is used to calculate any Freight or Charges, any Freight or Charges are to be considered for Carrier's liability purposes as "lump sum".
19.4 All Freight & Charges must be paid without any set off, counterclaim, or deduction.
19.5 When requested by any Person by Merchant in respect of any applicable Freight due to Carrier, such Person shall be considered the exclusive agent of Merchant for all purposes and any payment to such Person shall not be considered payment to Carrier. Failure of such Person to promptly pay any part of the Freight or Charges to Carrier shall be considered a default by Merchant in the payment of the Freight or Charges.
19.6 Should the Merchant fail to make timely payment of any Freight or Charges, Merchant shall be liable to Carrier for all costs and expenses of recovery of such sums from Merchant plus attorneys' fees, plus the higher of 6% interest or the available commercial interest rate in the country of recovery calculated from the due date of such sums.

20) LIEN
Carrier shall have a particular and general lien on any documents or Goods for all and any unpaid past or present sums whatsoever that are payable by Merchant to the Carrier in accordance with Services and for GA and salvage contributions to whomsoever due. Carrier can at their option hold Goods or sell the Goods at public or private sale without notice to Merchant to satisfy the lien in whole or in part. If the proceeds of sale are less than the costs and expenses including without limitation attorneys' fees fall to cover the amount due, then Carrier is entitled to recover any deficit from Merchant.

21) VARIATION OF THE CONTRACT
No amendment or waiver of or departure from any provision of this Bill shall be valid against Carrier unless such waiver or variation or departure is specifically authorised in writing by a director or officer of Carrier with actual authority to do so. Such waivers or consents by Carrier are not continuous and shall only be effective in the specific instances and purposes for which they are given.

22) PARTIAL INVALIDITY

13.2 (i) The liberties set out in 13.1 may be invoked by Carrier for any purposes whatsoever and whether or not connected with the Services. (ii) Anything done in accordance with 13.1 or any delay arising therefrom shall be deemed to be within the contractual carriage/Services and Merchant agrees and warrants that such liberties shall not be a deviation of whatsoever nature or degree and Carrier shall be entitled to full Charges and Freight incurred therefrom and to all Defences.

14) MERCHANT INDEMNITY
Without limiting Merchant's other indemnity obligations herein, Merchant agrees to fully indemnify and hold harmless Carrier against all claims or liabilities or damages or costs or expenses or duties, taxes or fines or penalties or imposts and any demands or charges or fees (including but not limited to attorneys' fees) or expenses, of whatsoever kind, nature or amount and whether direct or indirect, arising or in connection with but limited to: (i) any Merchant's breach of any applicable law or obligation or contract or undertaking or warranty or guarantee or representation or any provision of this Bill including but not limited to any resultant loss or damage or delay to any property whatsoever or the environment, or death or injury, or (ii) any cause whatsoever for which Carrier is not responsible or liable, or (iii) any liability whatsoever which exceeds Carrier's liability under this Bill, or (iv) related to Services for Livestock, or (v) any act or error or omission whatsoever of Merchant.

15) DECK CARGO AND LIVESTOCK
15.1 Goods, containerised or not, may be carried on or under deck without notice to Merchant and Carrier will not be required to note on the Bill any statement of on-deck carriage. Merchant agrees and warrants that notwithstanding any liberties of clause 12 exercised by the Carrier, Carrier shall not be liable for any loss or damage of whatsoever kind, nature or amount and whether direct or indirect, arising or in connection with but limited to: (i) any Merchant's breach of any applicable law or obligation or contract or undertaking or warranty or guarantee or representation or any provision of this Bill including but not limited to any resultant loss or damage or delay to any property whatsoever or the environment, or death or injury, or (ii) any cause whatsoever for which Carrier is not responsible or liable, or (iii) any liability whatsoever which exceeds Carrier's liability under this Bill, or (iv) related to Services for Livestock, or (v) any act or error or omission whatsoever of Merchant.

16) NOTIFICATION AND DELIVERY CLAUSE
16.1 Any mention in this Bill of parties to be notified of arrival of Goods is solely for information purposes. Carrier has no liability whatsoever for any failure to provide such notification and such failure shall not relieve Merchant of any obligations hereunder.
16.2 Merchant shall ensure that they take immediate delivery of Goods (i) as notified to the Merchant by the Carrier or (ii) in the absence of such notice on Vessel's discharge or at delivery point shown on reverse hereof.
16.3 If Merchant fails to take delivery of Goods in accordance with clause 16.2 Carrier may without notice remove the Goods from the Container and store the Goods ashore, afloat, in the open or under cover, at the sole risk and expense of Merchant. Such storage constitutes due delivery hereunder and thereupon all liability and responsibility whatsoever of Carrier ceases.
16.4 Merchant's attention is drawn to the expiry of free storage time and Merchant's liability for demurrage costs contained in Carrier's tariff and herein.
16.5 Once the time has expired, the Goods may be stored at the sole risk and expense (including but not limited to demurrage and storage) of Merchant. However, if Carrier believes that the Goods are likely to deteriorate, decay, lose value or incur Charges in excess of their value, Carrier may without notice to Merchant and without prejudice to any other rights or remedies, publicly or privately sell or dispose of the Goods and apply the proceeds to the Freight and any Charges.

17) BOTH-TO-BLAME COLLISION
17.1 If the Vessel comes into collision with another ship due to the negligence of the other ship and any act or neglect of the Carrier in the navigation or management of the Vessel, and Merchant receives compensation or damages paid or payable by the other non-carrying ship for any loss, damage or any claim whatsoever for the Goods or Services, the Merchant shall indemnify & hold harmless Carrier for any such compensation/damages to the extent the non-carrying ship seeks to set off, recoup or recover this from the Vessel or Carrier.
17.2 The provisions of 17.1 will also apply where the owners, operators or those in charge of any ship or ships or objects other than or in addition to the colliding ships or objects, are at fault in respect of a collision or contact.

18) GENERAL AVERAGE
18.1 Carrier may declare General Average (GA) at any place and GA is adjustable according to the current version of York-Antwerp Rules or as stated in the Service Provider's terms and conditions, at the option of Carrier. Merchant agrees to pay any GA and warrants that they shall provide any GA security as required by Carrier and shall jointly and severally contribute with the Service Provider in GA to the payment of any sacrifices, losses or expenses of a GA nature that may be made or incurred and shall pay salvage and any other charges incurred in respect of the Goods.
18.1 If a salvage ship is owned or operated by Carrier or Service Provider, salvage shall be paid as if the said salving ship or ships belonged to strangers. Such deposit as Carrier or Service Provider may deem sufficient to cover the estimated contribution of the Goods and any salvage and special charges thereon shall be paid by Merchant to Carrier before delivery.
18.3 Merchant and the Goods must contribute to the payment of any sacrifices, losses or expenses of a GA nature that may be made or incurred and shall pay salvage and special charges incurred in respect of the Goods in the event of accident, danger, damage or disaster before or after the commencement of the voyage resulting from any cause whatsoever, whether due to negligence or not for which, or for the consequence of which, the Carrier is not responsible by statute, contract or otherwise.
18.4 Carrier is not obliged to commence or continue any obligation to take any steps whatsoever to collect security for GA or salvage contributions due from Merchant.

19) FREIGHT AND CHARGES
19.1 Freight & Charges are irrevocably earned, and fully payable by Merchant and non-returnable in any event irrespective whether prepaid, collect or otherwise or whether Goods lost, damaged or delayed.
19.2 Freight & Charges are calculated from particulars furnished by Merchant. Carrier is entitled to production of the commercial invoice and packing list for the Goods or true copies thereof and to inspect, reweigh, remeasure and revalue the Goods. If the particulars are incorrect, Merchant shall pay Carrier the correct Freight & Charges (credit given for the Freight & Charges charged) and any costs incurred in establishing the correct particulars.
19.3 Irrespective of what is used to calculate any Freight or Charges, any Freight or Charges are to be considered for Carrier's liability purposes as "lump sum".
19.4 All Freight & Charges must be paid without any set off, counterclaim, or deduction.
19.5 When requested by any Person by Merchant in respect of any applicable Freight due to Carrier, such Person shall be considered the exclusive agent of Merchant for all purposes and any payment to such Person shall not be considered payment to Carrier. Failure of such Person to promptly pay any part of the Freight or Charges to Carrier shall be considered a default by Merchant in the payment of the Freight or Charges.
19.6 Should the Merchant fail to make timely payment of any Freight or Charges, Merchant shall be liable to Carrier for all costs and expenses of recovery of such sums from Merchant plus attorneys' fees, plus the higher of 6% interest or the available commercial interest rate in the country of recovery calculated from the due date of such sums.

20) LIEN
Carrier shall have a particular and general lien on any documents or Goods for all and any unpaid past or present sums whatsoever that are payable by Merchant to the Carrier in accordance with Services and for GA and salvage contributions to whomsoever due. Carrier can at their option hold Goods or sell the Goods at public or private sale without notice to Merchant to satisfy the lien in whole or in part. If the proceeds of sale are less than the costs and expenses including without limitation attorneys' fees fall to cover the amount due, then Carrier is entitled to recover any deficit from Merchant.

21) VARIATION OF THE CONTRACT
No amendment or waiver of or departure from any provision of this Bill shall be valid against Carrier unless such waiver or variation or departure is specifically authorised in writing by a director or officer of Carrier with actual authority to do so. Such waivers or consents by Carrier are not continuous and shall only be effective in the specific instances and purposes for which they are given.

22) PARTIAL INVALIDITY
If any provision of this Bill, in whole or in part, is held to be unenforceable by any court or Person so empowered, such unenforceability will attach only to such provision or part. Such holding will not aff
