6.3.5 Subject to clause 7.6, the liability of Carrier shall be determined by the provisions contained in any International Convention or law that is compulsorily applicable.

7) GENERAL LIABILITY AND OTHER PROVISIONS

7.1 Where Carrier's liability arises from a cause which is only contributory, Carrier is only liable to the extent that those factors have contributed to the loss or damage.
7.2.1 Subject to any Carrier's Defences, any agreed liability shall be calculated by reference to the value of the Goods as determined by any compulsory law applying or,
7.2.2 if there is no applicable compulsory law then by the FOB/FCA value of the Goods at the place and time at which they were accepted for Carriage, or
7.3 if 7.2.1 & 7.2.2 do not apply then the value shall be calculated by reference to the wholesale value of Goods of the same kind and quality at the time and place of shipment.

7.4 MAXIMUM OF MONETARY LIABILITY: 7.4 (i) Notwithstanding any term or limitation herein to the contrary except clause 6.2.1, and subject to: any higher value declared pursuant to clause 8.3; Hague Rules, COGSA or the Hague-Visby Rules or any other laws, when compulsorily applicable; clause 7.5, 10.9 and 19.3; or should any Defences herein be held to not apply, and without prejudice to any agency status of Carrier, the Carrier's maximum liability is as per clause 7.4 (ii).

(ii) If any conflict exists between the Bill and such compulsory conditions the latter prevails to the extent of the conflict, but no further. (iii) The Bill applies to any silence or gaps or omissions in provisions in such compulsory conditions.
7.7 It is warranted/agreed that superheat/sweat, condensation, or any mould or any like condition due to moisture is not a condition of damage but is inherent to the nature of particular Goods or transport conditions and any Carrier's or Service Provider's receipt of the Goods in apparent good order and condition is not a representation that such condition of Goods did not exist on receipt.

6.2 Port to Port Shipments

6.2.1 US shipments: If Bill includes carriage to/from the USA, Bill is subject to COGSA, the terms of which are incorporated herein insofar and are paramount throughout the carriage by sea and for the entire time that Goods are in the actual custody of the Carrier or the Service Provider, including before loading onto or after discharge from the Vessel, in the Port Area.
6.2.2 Non-US shipments: In so far as Bill relates to carriage that is not to or from the USA; (i) Bill is subject to any law making the provisions of the Hague Rules or the Hague-Visby Rules or COGSA applicable to Bill, and (ii) in respect of the period whilst Goods are in the Port Area and where the Hague Rules or Hague-Visby Rules are not compulsorily applicable, then Merchant appoints Carrier as agent to enter into any contracts on their behalf with any Person or applicable Service Provider for any Services and on any terms whatsoever **including terms less favourable than the terms in this Bill (copies of such terms being available on request).** (iii) (a) Carrier has no liability whatsoever for loss, damage, delay, non-delivery or mis-delivery of or to the Goods howsoever caused before loading onto or after discharge from the Vessel whilst at the Port Area, unless Goods are in Carrier's actual possession. (b) In the event that clause or part of clause 6.2.2 (a) is unenforceable, then clause 7.4 applies.
6.2.3 Subject to any compulsory law, Hague and Hague-Visby Rules or COGSA (as applicable) shall also extend to any lighterage services and any waterborne carriage and to any coastal traffic or inland waterways. Reference to carriage by sea in the Hague or Hague-Visby Rules, COGSA or relative national law is deemed to include inland waterways.
6.2.4 Carrier is entitled to (and nothing herein operates to deprive or limit such entitlement) the full benefit and rights to all Defences and all rights conferred by any applicable law or regulation of any country (including but not limited to any provisions of Chapter 305 of Title 46 of the United States Code and any amendments thereto) and without prejudice to the generality of the foregoing also the benefit of any law or regulation whatsoever that is available to any Service Provider, including but not limited to the London Limitation Convention 1976 or any applicable convention or law governing the rights of shipowners or charterers to limit their liability in accordance with the Vessel's tonnage or value.

6.3.2 If for any reason clause 6.1(i) does not apply with regard to any Services and subject to clause 8.3, Merchant nevertheless acknowledges and agrees that Carrier's liability is determined in accordance with: (i) the contracts, tariffs, or bills of lading of any responsible Service Provider (& clause 6.1(ii) applies) or (ii) for shipments to or from the United States in accordance with the liability standards and defences of COGSA, or (iii) for monetary limitations clause 7.4 herein, whichever imposes the least liability on the Carrier, and (iv) where a Service Provider's lower monetary limitation is applicable Carrier is entitled to avail itself of such lower liability and under no circumstances whatsoever shall Carrier be liable to a greater extent than it can recover from the actual Service Provider engaged to perform the Services.
6.3.3 Subject to any compulsory legislation to the contrary and without prejudice to any other provisions of this Bill, if the place where the loss or damage occurred cannot be proven then Carrier's monetary liability will be determined by clause 7.4.
6.3.4 If the place where the loss or damage occurred can be proved:
6.3.5 Subject to clause 7.6, the liability of Carrier shall be determined by the provisions contained in any International Convention or law that is compulsorily applicable.
6.3.6 If there is no International Convention or other compulsory law applying, then Carrier's liability is determined by the provisions of this Bill.
6.3.7 Notice of Opting out of Carmack Amendment/ICC Termination Act of 1995: Where Through Transport commences or terminates in the United States, should for any reason it be determined that Carmack applies to the Services or this Bill, then the following applies: (i) Carrier shall arrange transport with US land Service Providers, either as ocean carriage or inland carriage as defined by 49 U.S.C. Section 13506, or if not so exempt, then as "contract carriage" as defined by 49 U.S.C. 13102(4), under this Bill. Subtitle IV, Part B (excluding §§ 13703, 13706, 14101 and 14103) to the full extent permitted by 49 U.S.C. § 14101(b)(1), each as amended from time to time.

7) GENERAL LIABILITY AND OTHER PROVISIONS

7.1 Where Carrier's liability arises from a cause which is only contributory, Carrier is only liable to the extent that those factors have contributed to the loss or damage.
7.2.1 Subject to any Carrier's Defences, any agreed liability shall be calculated by reference to the value of the Goods as determined by any compulsory law applying or,
7.2.2 if there is no applicable compulsory law then by the FOB/FCA value of the Goods at the place and time at which they were accepted for Carriage, or
7.3 if 7.2.1 & 7.2.2 do not apply then the value shall be calculated by reference to the wholesale value of Goods of the same kind and quality at the time and place of shipment.

7.4 MAXIMUM OF MONETARY LIABILITY: 7.4 (i) Notwithstanding any term or limitation herein to the contrary except clause 6.2.1, and subject to: any higher value declared pursuant to clause 8.3; Hague Rules, COGSA or the Hague-Visby Rules or any other laws, when compulsorily applicable; clause 7.5, 10.9 and 19.3; or should any Defences herein be held to not apply, and without prejudice to any agency status of Carrier, the Carrier's maximum liability is as per clause 7.4 (ii).
7.4 (ii) Carrier's maximum liability for loss or damage or delay or mis-delivery or any other liability whatsoever in direct or indirect connection with or howsoever arising from (including without limitation from negligence of any kind) the Goods or Services will not in any circumstances whatsoever exceed a sum of (a) US$500 per Package or CFU or (b) US$2.00 per kilo of the gross weight of the Goods affected or (c) the sum of Merchant's loss or the value of such Goods or (d) the Service Providers' monetary limits of liability, **whichever is the least.**
7.5 Carrier has no liability for correction costs for any erroneous shipment of Goods to an incorrect destination. Without prejudice to the foregoing or any other Carrier's rights and remedies, if Carrier is for some reason found liable in this respect, then any liability shall be limited to a maximum sum of US$2,500.00.
7.6 (i) Where international transport conventions or international or national law are compulsorily applicable, the Bill still applies. (ii) If any conflict exists between the Bill and such compulsory conditions the latter prevails to the extent of the conflict, but no further. (iii) The Bill applies to any silence or gaps or omissions in provisions in such compulsory conditions.
7.7 It is warranted/agreed that superheat/sweat, condensation, or any mould or any like condition due to moisture is not a condition of damage but is inherent to the nature of particular Goods or transport conditions and any Carrier's or Service Provider's receipt of the Goods in apparent good order and condition is not a representation that such condition of Goods did not exist on receipt.
