

FIRST WAREHOUSE INVENTORY NOTIFICATION

Dear Agent,

We hope this message finds you well. We are reaching out to inform you about the current status of the goods, which are either fully or partially in our warehouse.

It is important to highlight that, according to Article 29 of the Customs Law, if your cargo is not removed within a period of 60 days from the date of deconsolidation, it will be considered implicitly abandoned to the Tax Administration Service (SAT).

Please be informed that your cargo has been in our warehouse for 15 days now. If it is not picked up by the 30th day, we will notify you and provide you with the details of the charges that need to be paid.

We strongly urge you to take immediate action to avoid any further complications.

To prevent your goods from being considered abandoned, we kindly request the consignee to complete the necessary formalities for the timely retrieval and importation of your merchandise.

We appreciate your attention and cooperation in this matter. If you have any questions or require further assistance, please do not hesitate to contact our import operations team, who will be delighted to assist you.

Best regards,

INTERTEAM S.A. DE C.V.
