

SECOND WAREHOUSE INVENTORY NOTIFICATION

Dear Agent,

We hope this message finds you well. We would like to remind you about the current status of the goods, which are either fully or partially in our warehouse.

According to Article 29 of the Customs Law, if your cargo is not removed within a period of 60 days from the date of deconsolidation, it will be considered implicitly abandoned to the Tax Administration Service (SAT).

We regret to inform you that your cargo has been in our warehouse for 30 days now. As per our previous communication, if it is not picked up by the 45th day, we will be invoicing you for the pending charges.

To avoid any further delays or complications, we strongly urge the shipper and consignee to promptly proceed with the necessary procedures for the retrieval and importation of your merchandise.

Your attention and cooperation in this matter are greatly appreciated. If you have any questions or require further assistance, please do not hesitate to contact our import operations team, who will be delighted to assist you.

Best regards,

INTERTEAM S.A. DE C.V.
